Cape York 4WD Adventure

14 - 26 August 2009

Cape York is a very popular destination for four wheel drive vehicles. It is a relatively large region offering a variety of road conditions. Camping facilities throughout the Cape range from well equipped camping grounds to remote bush camp sites. The whole area is steeped in history, offers amazing diverse scenery, exciting fishing, good fossicking, first class birdwatching and, most importantly, excellent four-wheel driving. All camping gear is supplied, tent accommodation (4 person tents) is based on a twin share. After we have reached "The Top", we will return to Cairns on a two night sea voyage aboard the "MV Trinity Bay". A great way to relax and end our tour. Yes, you will probably want to go back.
