Discover Tropical Queensland

Cruising the Whitsundays

05 - 10 August 2009

The Whitsundays is one of Australia's most desirable and sought after holiday destinations. With its deep blue sea, idyllic tropical islands and the backdrop of the world heritage listed Great Barrier Reef, this is a must do experience. You will not be disappointed!

To ensure that you capture the most of what this region has to offer, we have an opportunity for you to join us on a fabulous cruise on board a fully equipped luxury catamaran.

We have the services of an experienced skipper, so you can lay back and enjoy this pristine environment and a wonderful 5 days of sailing.

Just imagine seeing a huge humpback whale surface near your vessel or seeing a green sea turtle swim by.

The snorkelling is really great, crystal clear warm waters and an abundance of colourful fish for you to marvel at.

Yes, this is truly a holiday not to be missed.

Come and join us.
